

OVER TOILET AID - ALUMINIUM

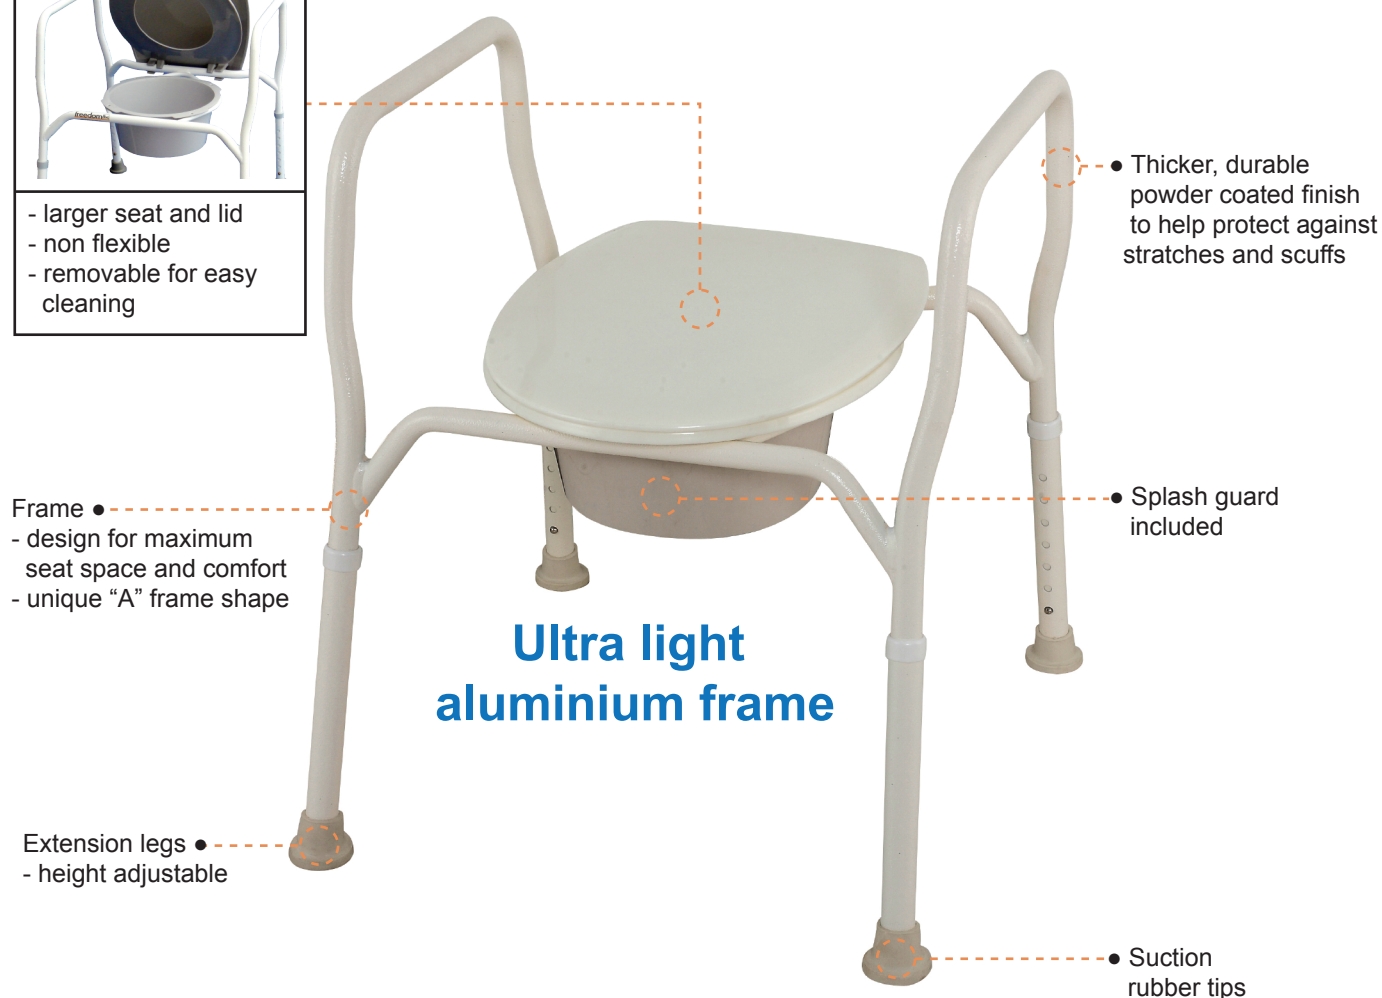

- Constructed from aluminium tubing.
- New "S" bend design provides maximum space for the patient to fit between the arm rests.
- Seat and the lid are made from a high density plastic to minimise flex.
- Offers a higher safe working load.
- Ultra light weight aluminium frame.
- Fitted with rubber suction tips.
- Painted up to 110 microns. That is 3x thicker than normal coating to prevent scratches.
- For rental or domestic use.
- Suitable for hospitals, nursing homes and other institutional use.
- Low maintenance
