WARNING

Definitions: "this product" means product HBA446 - suction grab bar above; "Freedom Healthcare" means Freedom Healthcare QLD BN18062465 and its Employees and Agents.

This product is to be used as a balance assistant only. It is not to be used to support the entire body weight of the user. This product is not suitable as a permanent fixture and cannot be used as a substitute where a permanent fixture is required.

To be mounted on a smooth surface only. Ensure that tiles are secure before mounting and using this product. Do not mount across the grouting of a tile.

Repeated periodic checks of the suction safety indicators must be made. Repeated period checks must also be made by physically pulling on the grab bar to detect any weakness in the suction. Freedom Healthcare takes no responsibility whatsoever for any injuries caused due to use of this product.

Freedom Healthcare makes no representation as to the suitability of the purpose of this product. It is strongly recommended that professional advice is sought before this item is chosen or purchased to ensure that the most appropriate solution is found for your needs.

To the fullest extent permissible under law Freedom Healthcare takes no responsibility whatsoever for any injuries (personal or otherwise) caused due to or in connection with the use of this product. By purchasing this product the purchaser acknowledges that they have read the above conditions and have fully understood that risk in use of this product passes to the purchaser.
